SNAP (Food Stamp) Outreach and Application Assistance Webinar!

***Please share this invitation with others in your organization**

SNAP outreach and application assistance is easier than you think!

Many people don't apply for SNAP simply because they don't realize they may be eligible, don't know how to apply, or have misconceptions about the program. As service providers, you have the perfect opportunity to help connect your clients with SNAP benefits by simply providing accurate information, referrals, or assistance.

SNAP benefits make a tremendous difference as families work to stretch their budgets every month. SNAP helps free up money for other necessities such as rent, utilities, child care, and medical costs. **Please help connect your clients with this valuable resource! Learn how by participating in our SNAP Outreach and Application Webinar.**

This webinar will also highlight WIC, LIEAP (the Low Income Energy Assistance Program) and other resources that can help your clients.

The webinar will be offered at the following times (there is no need to participate in both sessions):

- **Monday, January 30th, 11:00am - 12:15pm**
- **Tuesday, January 31st, 1:00pm - 2:15pm**
